

## NOTIFY ME EMERGENCY ALERTS SYSTEM

We recommend you sign-up for the **Notify Me Alert** at [www.southamptontownny.gov/NotifyMe](http://www.southamptontownny.gov/NotifyMe). This system allows you to receive a text message or email from our Emergency Alerts systems. This information includes: evacuations, shelters, situation reports, emergency weather conditions, local flooding, local road closures due to accidents or road work. It can also alert you to wildfires and closures of town facilities.

Keep listening to local radio or TV stations for instructions, news briefings and information.

**TV** SEA-TV Channel 22 / cablevision box  
Channel 99.3 / digital TV  
News 12 LI Channel 12 / cablevision box

Know what your flood zone is.  
Select **EVAC Zones Locator Tool** on the  
[www.southamptontownny.gov/EVAC-Zones](http://www.southamptontownny.gov/EVAC-Zones)

You may also sign-up for the Suffolk County CodeRed Emergency Notification System at <http://www.suffolkcountyny.gov>

## IN CASE YOU MUST EVACUATE, PUT TOGETHER A “GO-BAG”

Every household member should put together a “Go-Bag” — a collection of items you can use in the event of an evacuation. Each Go Bag should be sturdy, lightweight, and portable, such as a backpack. Suggested items include:

- Copies of your important documents, credit and ATM card and cash in a waterproof and portable container (insurance cards, birth certificates, deeds, photo IDs, etc.)
- Extra sets of car and house keys
- Bottled water & non-perishable food, energy or granola bars
- Flashlight, lightweight rain gear & mylar blanket
- Battery-operated AM/FM radio & extra batteries
- List of the medications & dosages household members take, or copies of all your prescription slips with doctor's names and phone numbers. Apply a supply for at least three days.
- First-aid kit
- Child care, pet care, & other special items
- Contact & meeting place information for your household, & small regional map

Everyone in your home should work together to make an emergency plan, gather supplies, and understand the hazards they may face.

## 911: EMERGENCIES

For immediate danger, serious injury or life-threatening medical condition  
Emergency Management Team  
Town Senior Help Line

Call 911  
Call 631-728-3400  
Call 631-728-1235

## HURRICANE SHELTER LOCATIONS

Shelters are opened based on the nature and severity of the emergency and the number of residents affected. **REMEMBER**, before proceeding to a shelter, listen to your local radio or TV station to learn which shelters will open and at what time, or call the Emergency Management Team at 631-728-3400. Additional information can be found at [www.southamptontownny.gov/emergency](http://www.southamptontownny.gov/emergency)

Registering with our Notify Me® service will improve our ability to get local emergency information to you. [www.southamptontownny.gov/NotifyMe](http://www.southamptontownny.gov/NotifyMe).

## SENIORS SPECIAL NEEDS RESIDENTS

Shelter space is available, but limited and based on need: **You must pre-register with the Town Senior Services/Special Needs Office 631-728-1235**

### SPECIAL NEEDS TRANSPORTATION ONLY

If you do not qualify for the special needs program and need transportation **ONLY** to a regular shelter, the Town will provide transportation, but you must pre-register, live in an evacuation zone or mobile/manufactured home, be physically handicapped, or have no other means of transportation.

## MAKE A HOUSEHOLD DISASTER PLAN

Develop and practice a disaster plan with your household members to prepare for what to do, how to find each other, and how to communicate in an emergency.

Decide where your household members will reunite after a disaster. Identify two places. To meet: one near your home, and another outside your immediate neighborhood.

Practice using all possible exit routes from your home and neighborhood.

Designate an out-of-state friend or relative who household members can call if separated during a disaster. If Town of Southampton phone circuits are busy, long-distance calls may be easier to make. This out-of-state contact can help you communicate with others.

Plan for everybody's needs, especially seniors, non-English-speakers, people with disabilities, children, and pets.

Buy the right insurance. If you rent your home, renter's insurance will insure the items inside your apartment. If you are a homeowner, make sure your home is properly insured — flood and wind damage are not covered in a basic homeowner's policy.

Fill your gas tank for personal vehicles and BBQ for outside cooking

## ASSEMBLE A HOUSEHOLD EMERGENCY SUPPLY KIT

A emergency supplies kit is simply a collection of basic items your household may need in the event of an emergency. Keep enough supplies in your home to survive for at least 10-15 days. Store these materials in an easily accessible container or cupboard, and update them twice a year at daylight-saving times. Suggested items are available at [www.ready.gov/build-a-kit/](http://www.ready.gov/build-a-kit/) or at your local grocery, drug, or army supply store.

### SUGGESTED ITEMS INCLUDE:

- One gallon of drinking water per person per day.
- Non-perishable foods, canned foods & manual can opener or consider MRE supplies.
- First aid kit.
- Battery-operated AM/FM radio.
- Whistle.
- Iodine tablets or one quart of unscented bleach (for disinfecting water **ONLY** if directed to do so by health officials) and eyedropper (for adding bleach to water).
- Phone that does not require electricity.
- Flashlight.
- Extra batteries.

## EMERGENCY REFERENCE CARD

Use this card to record details of your personal disaster plan. Every member of your household should have one.
